Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 20 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Staying dry overnight, with clear skies and fog in places.

This Evening and Tonight:
Late sunny spells turn hazy as high-level cloud moves in from the north through the evening. Staying dry overnight, though fog patches may from under the largely clear skies before dawn. Chilly in places. Minimum temperature 9 deg C (48 deg F).

Tuesday:
Staying dry throughout Tuesday, with long spells of hazy sunshine in the morning. Patchy cloud then develops through the afternoon, but with plenty more sunny spells. Further fog likely overnight. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
Dry with bright spells through Wednesday; feeling warm. Cloudier with some rain on Thursday, and breezier. Mostly dry on Friday, with sunny spells.
